I was a student of Mrs. Boegel's at Fulton High School. She a lady in every way. She was kind and caring and always had a pleasant word for you when you met her in the hallway. She always had a smile on her face. I will always have fond memories of her. I extend my deepest sympathy to the entire family. May the lord watch over you in your time of sorrow and give you peace. She will be deeply missed.

I have very fond memories of Mrs. Boegel. She was an amazing lady and one of my favorite teachers. She always told my class that she loved us because she kept moving up with us! She taught us at all three levels of school. (Elementary, Middle and High). My sympathy goes out to her girls and their families. May God be with you at this tough time and be with you as you go on without her!
