A Note from Heaven, If I could write from heaven, this is what I'd say, Please don't miss me too much, I'm with you throughout your day. You may not see or hear me, but if your quiet and still, You may just feel my presence; because, in Heaven, there is free will. Don't worry for the day, it will come and go as planned, Enjoy each moment you are given, keep worry from your hand. Keep sorrow to a minimum. For in Heaven if you could see, You'd know I'm safe and happy, I did not cease to be. Moments in time are brief, until we'll be together again, as Eternity lasts forever, our lives, they have no end. I am so saddened to hear this, I was shocked to see his name and face in the obits. Some of my best memories growing up came from Fox Roller Rink. Rest in peace, Gary.

Dar, I heard about this today and am absolutely crushed. I loved my time working and talking with Gary at CHS. Even though he was pro Camanche, he always wished me well at Northeast. My sympathy goes to you and your family.

My deepest, most heart-felt sympathy and loving prayers are going to my "little sister" Tracy, as well as Dar, Erin and all of Gary's family. Some 33 years ago Gary hired me at my first job, working concessions at the Fox Roller Rink. As an added bonus in working for Gary, his daughter Tracy and I became very, very close, and she, today, is still one of my very closest friends. Besides teaching me some tricks on those old roller skates, Gary taught me many life lessons, sometimes without him even knowing it. Rest in sweet peace, Gary. May the fond memories of you grant your friends and loved ones comfort and peace today, and always.
