I am saddened to learn of the passing of our friend Betty! We thought so much of both of your folks and Ron has taken the "shot gun shell" on many hunting and fishing trips. I have had lunch at Alverno with your Mom a few times and we always had a nice visit. I have sent her cards on occasion just to let her know I was thinking of her, making sure she got a card in May, her birthday month. She so loved her girls and Tammy and was very proud of her grandchildren and their accomplishments, and expressed her love and pride of her great grand babies. Feeling blessed to have had Glen and Betty in our lives. Hugs to the Miller family from the Picolets (Ron and Kay)
