I worked for many years at the Alverno with Pam. She was one of my supervisors and was one of the best. She would always listen to you and was there to help when you needed it! She was a great nurse and will be missed very much. Your family is in my thoughts and prayers.

I worked at the Alverno when Pam was there and she was a very kind and compassionate person and a great nurse. She was always willing to listen, no matter who needed her assistance and she did what she could to help. She had such a great love for her pets and I know it was a joyful reunion to meet all those loved one's who passed before her. Heaven received another one of the best when she was welcomed through the golden gates. RIP. Linda Casey

My thoughts and prayers go out to all of Pam's family. I worked with Pam many years ago at Wyndcrest and I have to say, in 25 years of being in the healthcare field, Pam was one of the very best nurses I have ever worked with. She was kind, compassionate, understanding , and loving to all she took care of and to all her staff. She was truly one of the most wonderful people I have ever had the pleasure of meeting and working with. Any who knew her were truly blessed.Jeri Curtis
