William Frank Hindley

JUN 18, 1952 - APR 27, 2014

William Frank Hindley, 61 passed in his sleep while napping in his favorite spot, up against a tree, in a beautiful wooded area in North Clinton near the house in which he helped raise his children. This quote by John Muir sums it up quite nicely, "The clearest way into the universe is through a forest wilderness." For those who knew Bill, he would give anything to always be outside. He is known for his musical chops and for his witty demeanor. He was loved by many and this is quite a blow to those whose lives he had touched. He is leaving behind a great many a family member, but they know he is in a better place now and when the sun shines, they know that it is him, in the heavens, saying, "i love you."

Arrangements handled by Snell-Zornig Funeral Homes & Crematory – Clinton.
