Mark, Sarah and Evan, the following letter is so touching. Hope it eases your pain. A Note from Heaven If I could write a note from Heaven, this is what I'd say, Please don't miss me so much, I'm with you throughout your day. You may not see or hear me, but if you're quiet and still, You may just feel my presence; because, in Heaven, there is free will. Don't worry for the day, it will come and go as planned. Enjoy each moment you are given, keep worry from your hand. Keep sorrow to a minimum; For if Heaven you could see, You'd know I'm safe and happy, I did not cease to be. Moments in time are brief, until we'll be together again, As Eternity lasts forever, our lives, they have no end.
