My beautiful Momma, how can you possibly be gone? I will miss your smile and having a drink or two with you and listening to our country music. I will miss everything about you. You are and were the best mom in the world. I hope you knew how much I loved you. I sure hope you are having a good time up there with the boys, Auntie Helen, Uncle Buck, and your parent and all the others that we have lost over the years. Give those boys a big hug and kiss for me.
