I work at Prairie Hills and I will never forget when Bob & Betty lived there. They would walk down to the dining room to their table (back table on the left :)) and I always said to the other Co workers " that will be me and my husband someday" as he is saying "cmon ma! Let's get going, hurry up!" He always made me laugh. Thoughts & prayers to the family ?

I remember having a conversation with Bob at Prairie Hills when my Mom was there. We talked for awhile about Betty and his kids and how much he loved you all. Then we realized we knew each other from many years ago. We laughed. He was a very kind man. Heaven gained a good one.
