Don and family, Please accept my heartfelt condolences. Your mother was a lovely and gracious lady who was always cheerful and very kind, and very, very patient, even with those of us who frequently exhibited a bit too much energy and were periodically borderline mischievous (e.g., picking up garbage cans in the Rambler wagon! or driving Mr. Keely's car around the parking lot and breaking his windshield with my head). I have only the fondest of memories of the good old days in Camanche with you, your mother and of course your father. I look forward to seeing you, hopefully soon. Warmest regards, Rick

Jane was always so happy to see us when we came to give her communion. She was so nice to visit with, and what a pretty smile she always had. Prayers and peace to the family.

I will miss talking to her. She was a beautiful lady. When I was in town, I would attend the Monday McDonald family coffee hour. We would have such a good time all together. She was thrilled when my grandson was born on her 90th birthday. God Bless!

I will forever miss taking care of Jane everyday. Every time I would come in she would look so happy to see me, especially when I brought her strawberry ice cream. We would always joke about how she has to have elastic pants or how she loved popcorn but always made a mess of it. Jane was such a strong willed woman and I am so blessed to have been a part of her life. She will always be my girl!
