Lisetta and I are first cousins. My mother and her father were brother and sister. I would only see her at the yearly family reunions, but I enjoyed her company over the years, as we were close in age. I didnt like to play cards, so we always had something in common. Please accept my sympathy on the loss of your mother. Thinking of you and yours. Darlene Carlin (Wessell)

I'm not sure where to start, but I loved my grandma with my whole heart, and will forever. Grandma, you're up in paradise now and atleast you won't have to deal with another Iowa winter, you hated those, but it sure was nice to get the weather report from you from time to time. Miss you. Love you. Rest easy.
