Beautiful Barbara, we are going to miss the many days spent praying for others in recovery to come and know the true living God through Christ our Lord and Savior. Many times old friend we put together functions together with others in order to reach some of the lost for the Lord. Many times you prayed for me and my family. Our prayers go out to your family during this time of grief. The world will be a little different for us now till we meet each other again with the Lord. May the Lord bless you and your family. My mom had little in life... but she gave so much to the world! There is now a giant void in the world that she left behind & Heaven has gained an Enormous Angelic Spirit! Though she is greatly missed by many we can take comfort in knowing, at last, she is with her precious Saviour, who she very much looked forward to meeting & she now has all the riches & rewards she so deserved here on earth.... now in Heaven. She must have one of the most beautiful mansions in Heaven for sure! I'm clinging to & thanking God for his promise that all of us who believe in God & have accepted him as our personal savior will be reunited in Heaven with her when our work here on earth is done. Many will enjoy Heaven.... because of my mom's testimony & love for God & others. She brought countless numbers of people to Christ & help many overcome challenges they were facing. She was always willing to help others & would counsel people everywhere... 24 /7. Your work on earth is now done. mom. You were a wonderful mother & a faithful servant of God. Enjoy Heaven! I love you, mom! Your spirit lives in me & you will always remain in my heart.
