Sorry, I mean your dad, Maurice H, Walt Rickerl, etc, -- I'm not the best on these online things. But truly, some of my earliest memories are plumbing related!

I have many fond memories of Jack coming into TCC (Verizon) while I was working there. He was always so sweet to my entire crew. I looked forward to the next time he either broke his phone, or needed help putting an app on his tablet...usually DISH TV. He was always in a good mood. He was generous and genuinely kind. However, the thing I remember most is the love he had for his wife. I know that losing her broke his heart. Although he will be very missed, there is solace knowing that he is now back with the love of his life. God has them both home now.

On behalf of my entire family. Jack was a very wonderful man to family, friends, and customers. I have known him and his family all of my life. My dad and he were both in the plumbing business. I will not be able to attend due to work but I will be thinking of all of you.
