God Bless you Rodney. You will always be one hell of a man regardless on anyone's standards. While you were here with us at Midwest 3pL, everyone enjoyed your stories and appreciated your dedication and drive to get the job done. You were always willing to jump in and help out, because you knew it had to be done and you just did it! You didn't have to be asked, you just did it. You will never be forgotten, you left huge shoes to fill. I wish you and your family the best. I know with your genetics and everlasting presence, there is not anything that they can't do.
