My Grandma Debbie was like a second mother to me and I really do miss her every day, even while she was sick she still took care of me and I'll forever be grateful to her, I love you so much Grandma and I miss you to the moon, you were the best grandmother I ever could've asked for and I hate how early you were taken away from us. I think you would've been proud of who Momma became though. I know you made it to heaven, and I hope your having an amazing time up there. Love you so much.
