John and I had many good times over the years. Breakfast and lunch trips, working on houses or his cabin and of course hanging out at square shooters....Or just hanging out at the house with his family. I just found out he passed, and regret that we'd fallen out of touch the last couple years. Sincerest condolences to his family.

Dean & I were so sorry to hear of John's passing. We were so blessed to be friends with John & Louise for so long. With everyone's health issues the last couple of years, we did not see each other as much but have many fond memories of times spent with them. We will miss you, John
