To all of the Dennis Carlsen family: My sympathies on the loss of Dennis---husband, father and grandfather to a family he really loved. Through Gyro I have known Dennis for at least twenty five years and considered it an honor to be his friend. He was the friend of many and of those of us he touched we in turn were blessed to have him as a friend. Although I have never met any of the children I feel I know them based on the words Dennis told me over a few beers. We've lost a good friend and a good man. My prayers are with the family.
