I remember Aunt Ev always was willing to alter my dance costumes for my recitals growing up. She always attended our family thanksgiving at grandma and pops' house and I was always the one to pick her up and take her home. She shared many memories during our drives and was always grateful- even though I was just learning to drive. She reminded me so much of Nana - was nice to have a piece of Nana through Aunt Ev. She will be greatly missed but puts me at peace knowing she is up with the rest of her family.
