I've known the Byers family for many years. Barb and I went to school together. I remember Donnie riding his bike around town and would come by my home, and stop to visit. I only recently found out of Don's passing and I can't believe he's gone. RIP Don. My condolences to the entire Byers family. Kim Archer

Andy, (Eric), and I are still in shock by Don's passing. Eric and Don text three and four times a day and considered each other brothers. Eric is still in disbelief that his little bro is gone. Our heart felt prayers and love to his family. We know Don is in heaven because God had a special task only Don could do, and we know we will be seeing him again soon....Eric and Anni Anderson II
