My prayers are with Evelyn's family for your consolation and sharing with you in gratitude to God for Evelyn's life, faith and love. I recall so many times of friendship and hospitality in Evelyn's and Ted's Clinton home. They were a wonderful couple and shared so much of God's grace in their shared ministry at Mercy Hospital, Clinton in my time as chaplain at the hospital. May Evelyn and Ted rest in the peace of the God who loved them and whom they loved and whose love they shared in the circles of family, church and community. May that circle remain unbroken by and by. Fr. John Spiegel

I am so sorry to hear of Evelyn's passing. She and Ted were very dear friends to my grandparents, Jean and Bud Ludescher as well as my mother, Kathy Ludescher Clark. My dad and I used to come and visit her for a number of years until his health declined. So sorry for your loss.

What a treasure we had in such a fine lady. We have many memories of the early days in the deaconate with Evelyn and Al. The entire deacon community has been greatly touched by their presence and I have grown much because of them. We thank God for them then and for taking them home now, to share to joys of their faithfulness in the glory of heaven. Deacon Bob and Donna Gengenbacher

What a life well lived! Evelyn and I "talked books" in her living room for many years, as she was a long time member of Lyceum, one of the oldest book clubs in our community. She was a great friend of the Clinton Public Library -- of the books and programs and what happened behind the desk, as I recall one day when she explained to me all the different jobs in getting the book to a patron. I am saddened only by the ideas that she had given me and I had not completed. I am blessed by knowing her. I can picture her smile when we put a Monarch on her shoulder during a release and then when we let her feel the tiny feet on her arm. She will be missed by many of us and we are left with fine memories pf Evelyn Mueller!
