We lived next to the spittler farm I spent a lot of time there as a child I remember getting milk out of the bulk tank drinking jars of chocolate milk eating crackers I'm playing Monopoly way into the night. One time we all had a huge tomato fight throwing tomatoes and hiding behind all the vehicles boy did we get in trouble it was so much fun..... God bless all of Lana's family and everyone she touched.... Life does truly happen in the blink of an eye

I worked with Lana when I was with Morrison ambulance and also taught some EMT classes with her. To put it out there, she was a force to be reckoned with! I had so much respect for her. Not just her nursing and medic skills, but as a person. In a word...awesome! Rest in peace Lana...
