I'm so sorry. Prayers and hugs to all of you. Steve was the nicest person you could meet. He would give the shirt off his back for you. I can remember every family function you could find him playing with the kids. From making tents to playing hide n seek. We all loved him so much. We would see each other at work and talk and save the ADM world. Love Dana

I knew Steve through work as his bulk bag sales rep. Every time we spoke he was always very kind and upbeat. I have dealt with 1,000's of people in my business over the years and Steve was a good man who stood out. I could always hear him smiling on the phone. He was a man of his word and just seemed like a good person. In our current world Steve made it brighter. I was very saddened to hear of his passing.

I put in many hours with Steven at ADM. When I got myself in trouble I could always count on him to pull me out. He was a great person to work with and to know.. Dennis Kair
