I'm a cousin of Mike and wish to send my condolences for his sister, Margo and his wife, children and family as well. I have memories from childhood with Mike, but as years passed we didn't see each other as often. I so remember running around chasing fireflies at Aunt Evie's and swinging at family picnics when we would visit grandma and grampa Thomas. His father and my father were brothers. Life is but a mist that appears for a time, and then is gone. However, this life is but the beginning of our eternal life with our Savior, Jesus Christ. My thoughts are with you Margo and all.
