I'm sure you wouldn't remember me, but I grew up in Clinton and knew the Goff family. My parents were Joe & Erma Lanaghan; my sister & I were closer in age to Craig. If I remember correctly Helen Goff and my dad (Joe) were first cousins. Our deepest sympathy to the family.

Beautiful lady....so sorry to see the news of her passing. Please extend my condolences to Leigh, Mark, and the entire Goff family. Mark and I were classmates. Mr. Leigh Goff was both my coach and teacher. Please pass along my thanks to him for the time that both he and Mike Ashby sat down with me during my sophomore year and told me that I was capable of doing better in Biology class. The truth is that before then, I never had to study in school. In fact, I really did not know how. I am very thankful that both he and Mr. Ashby showed the interest in me that they did. It turned out to be a major turning point in my life and I will always be grateful to both of them. Many kind thoughts and prayers for the entire family at this very difficult time. May your wonderful memories of Vernetta bring comfort to you all. Kindest regards, Jim Putman, M.D.

Dear family of Vernetta Goff, I was sorry to hear of her passing. I used to go to the Rialto a lot, and that's where I first met her. She had a great sense of humor. Know that she is at peace now I am thinking of all of you, especially you Leigh. You made biology interesting. Maybe because we had to watch out for flying erasers. God has called her home, as he eventually does all of us. I just wish I could be there in person to tell you this. All our love and prayers, Jon, Purl, Troy, Logan, and Carley Weber Hazelwood, MO
