Shelley was one of my bestest friends for the better part of my life. We moved to Colorado together and before that traveled all over by bus, train, plane and my Gremlin! I will always treasure our time together and keep our memories wrapped in my heart so I can reflect on them anytime. Love you Shelley, Bo Melli !! Until we meet again...

Shelly was in our wedding as my wife Judy were close friends. She was a great person and will be missed. I remember her going all the way back to grade school. We played ball in here back yard sometimes with her brothers and neighbors. Our condolences to her family.
