I was sitting here thinking of you today. The good time we shared. The laughter ❤️ the light in that smile of yours is one this world will truly miss. At least I do. I love you buddy. Sorry it took until now to really feel the weight of it all. I wish you wouldn't have gone out that way. Juggle in the sky for us all buddy. Just avoid the unicycle. I love you so much man. I miss you.

I so enjoyed Aaron in my class at Lyons Middle School. He took out time to stop by my desk and visit me daily. I will never forget his kindness and sharing his talents ! It was a difficult year in my life but I knew school days I would have a special visitor.
