Randy loved to drive semi. When Randy worked for us, he would always wanted to work on holidays and take vacation from his fulltime job, to drive for us.

I have to share this funny memory: We took Randy out to eat at an authentic Mexican restaurant in Oceanside, CA. He ordered 2 California burritos. Now if anyone has ever had a California burrito, they're HUGE! Well no one told Papa! 🤔🤔 I just figured he was really hungry, I wasn't going to judge! The waitress brought them out and Randy said "what the shit is this?! I thought they'd be like Taco Bell burritos!!" We laughed so hard!! We'll miss you. Forever and always, PapaLove
