Your Honor! It has been a great honor and privilege to have spent many years at Hardee's drinking coffee with you. It always brightened our day when your truck pulled in the lot and you shuffled to your chair at the head of the table, coffee in hand. It was my privilege to fold your napkin when I was lucky enough to sit next to you, the Honorable James P. Franzen. The Lord will be blessed to share a cup with you. Another good one has gone home to the Lord.
