To Allen and Clara's family: Clara has been a friend for many years and I will always cherish the good times we enjoyed while working at Nielsen and the years afterward. Getting her to be naughty was one of my favorite pastimes and hearing her laugh when she thought she was getting away with something made me laugh, too. She will always be in my heart and I will smile when I think of her and the good life she lived! Maureen Miller

Remembering how she would not drive over bridges and she lived in Versailles and I lived at the lake of the Ozarks, so I would drive to Versailles and get her and we would go out for lunch. She was special to me for so many years. Will miss her 😭 Ruby Morgan
