Our deepest Condolences to you Jim and your family. I can not think of the words of Sympathy I want to say so I choose to remember our good Memories, like the times we all hung out together going to Oak Park and danced to the Umpa Umpa music, and the time we spent together in Germany. I will remember those times knowing you are in Gods Hands without any pain. Sleep well Arlene, rest in Peace. Clarence/June

Dear Jim & Family, My heart broke hearing the news that my friend for many yrs., had passed. I have so many memories of her & your family. So many good times especially in the past yrs. Watching our kids grow up & become good adults made us happy. I spent time with her at Betty Kricks funeral & the last time when she was recovering from her last surgery. She was a wonderful loving person & I am glad I could call her "my friend". My condolences to you all, Barb

I am truly sorry to hear of Arlene's passing. Unfortunately I was in Cedar Rapids helping my sister pack when I heard the news. I remember walking to Clinton National Bank and having her cash my checks from Nielsen Clearing House so many years ago. May the memories and love of your family and friends be of comfort to you at this time of sadness. My thoughts and prayers are with you.
