To Phyllis' family, you have my deepest sympathies. I was devastated to hear of Phyllis' passing. Phyllis was a wonderful friend when I needed her most. I called her "mom" because she filled that void in my life. She was the mom I never had. When I left Mercy dietary, I lost touch with her, but she never left my heart. She always spoke proudly of her children and grandchildren. She will be missed.

Vicki, Kevin, Gail and Mark, We send our love and prayers to you all today from Cheyenne Wyoming. Your mom was a woman that could always make you laugh, I can still hear her busting up! We go back 45 years and that's a lot of memories with our two families. I wish I could be there today but I am there in thoughts and sending my love to you all. May God bring you comfort as your mom is now a beautiful angel in heaven. Love Michelle
