Jeff, Stve, and Lori---your mother was such a wonderful person. You are blessed to have great memories and so much time with her. My mother talked of roller skating around Camanche with Josie when they were young girls. Dad loved isiting with her - I think they when to Clinton High School together, not many went on beyond the 10th grade that Camanche had back then. Hold on to your memories and may God give you the peace you need for this time. Sally Dietz
