Dee was the petite and pretty lady that came to my mother for her wardrobe alterations back in the late 50's, early 60's. I remember that Dee was always very kind to my mother and she would always speak to me. Years later, Rita and I became close friends. I have great memories of spending time at the adorable home Dee lovingly cared and provided for her family. I will graciously remember the closeness she and Rita shared and how much Dee loved her grandchildren.

Rita, we were unable to attend mother's funeral as we no longer drive. We have been very close friends with Dee for over 50 years. May it help in some way to know that friends are sharing your sorrow. With deepest sympathy, Betty and Bob Simmons
