I was so shocked when I heard and I'm very sorry for the loss of my cousin and friend. He will be missed. Although Gomery was often on the wrong side of things he was always kind and polite and would go out of his way to help out if he could. They say time heals all wounds and you will always have the memories but that doesn't make things easier now. But, don't be afraid to lean on loved-ones, friends and family to help ease the pain of loss. Monty, You left us way too early but wherever you are I hope it's a much better place and you're at peace. You will be in my thoughts until the day we meet again....your cousin and friend

I will always remember the fun times that we had with the pickle bucket, creek, riding lawn mower, and picnic table. Gomery is an integral part of many of my happy childhood memories. I cannot tell a story about that time in my life without including him. I will always remember him as a fun loving free spirit. I know that I will always carry a part of him with me wherever I go and whatever I do.
