I just wanted to say that Heidi will be missed greatly. I remember that she did not miss any of our events that we had. She would always make the trip down to the Quad Cities in good or bad weather. Thank you for the memories, you will be missed. Brian & Jessica

Mr. Misaig, Tom, Christine and Joe, I am so very sorry to hear of your wife/mom's passing. Although I have not seen some of you for quite a few years I have to say you all are a part of many happy childhood memories of mine. I realize more as I grow older and listen to others how privileged and special, life in our home on 7th Avenue was; mostly because of the great times shared by our families. I thought everyone was blessed to be a part of a neighborhood like ours. I occasionally see Steve and Tom Dopson and Mr. Rhode and they all share such fond memories also. Too bad life got so busy for us all to lose contact. However in times like this you know we all are there for you. I am sorry I could not make it up but you will be in my prayers and Mr. Misaig I will get ahold of you and Dad and I will come visit soon. Take care and Blessings, Teresa
