Mrs. Nash was a dear neighbor and friend. We spent many hours on the porch that she loved so dearly. She would talk about her husband and also about her son Brady who lived with her and took care of her. She would tell us over and over again about her love of her home and family and when she moved there. She loved watching the activity in our back yard and was a bit upset when we put up our fence. She talked to everyone as they walked down the sidewalk. We will miss her. We pray that all the family finds peace in that she is now aware of where she is, with our Lord and Savior.

To Gary, Judy, Kirby, and Brady, We want to express our sorrow at your mother's passing. Scripture tells us that for Believers, "to be absent from the body is to be present with the Lord". We take a lot of comfort in these words when we hear of a loved one passing on. The sorrow we feel is knowing that we can't spend any more time on earth with our Aunt Helen, but we are counting on seeing her again. As a kid, my favorite part of vacation was spending time with you guys. The Morleys always enjoyed the humor of the Nashs. Your parents were fun to listen too and I liked the way they could always find something to laugh about. To me your mom was the life of the party and in spite of a lot of adversity, she managed to stay positive and find the humor in it all. Your mom was a very special lady who will be missed by many. I regret not being able to see her more as an adult and I will miss her for now.
