Bill, Gary, Tom, Leita, Janet & Barb, I am very sorry for the loss of your Mother. As Children, we really never think of our Parents ever leaving us behind. All too soon, we realize that we are now the old generation. I can see by her picture, she lived a full life and was very happy. She was blessed with 20 grandchildren and 31 great grandchildren, and I am sure they are going to miss their Grandma, but what wonderful memories you all will have.
