I am Marty's Best Friend and want to say to the adoptive family of her child, Marty is a Mother to all of her children Larry, Kylie, Dylan, and Jalyn. Marty did what she thought was best for her children. Through Marty's pain over her children, that I witnessed, she blessed the family's that had adopted her children. If it wasn't for Marty you wouldn't have the Joy of her child. Marty accepted her child's new Mother and Father. And thank you for caring so much to accept responsibility. We all make mistakes in life. So try to put any hard feelings aside or to yourself. Her son Larry reads this. And all who loved her. You will never be able to keep your child from wanting to know about their Mother. Take a minute and say a prayer, maybe even thank Marty for the Blessing she gave you!!!
