I will always remember spending Thanksgivings and Easters at Aunt Esther's house. She always made us feel so welcome and special. I loved playing pinball in the basement, looking at her beautiful dolls, helping bake in the kitchen, swimming in the pool and riding around in the truck through the corn fields! She always came to Clinton to visit when we were in town for the Holidays! She always had a big hug and kiss for me when she walked in the door! My heart breaks for her sons, grandchildren and family. This is a tremendous loss. A wonderful woman on earth will be missed, but, Heaven is lucky to have such a beautiful, loving angel. May time heal your beautiful family. With loving memories, Cindi
