Bill, the first time I met Donna was when you and her came out here to Calif., and stayed with us a few days. I think I was about ten years old at that time. I do know one thing for a fact, Donna made me feel special, and what I had to say, (whatever a ten year old has to talk about) was important, and should be heard. Donna has and always will hold a special place in my heart. My thoughts and prayers are with you and your family Bill. Stay strong and stay well. Sincerely, Judy
