To Barb and family-I was saddened to hear of Spike's passing. We had a lot of good times together back in the day at "Millies", bbqs, and going out on the river. Rest easy Mike, and may your family find peace in knowing that you are joined with your son enveloped in the love and peacefulness of heaven..

Mike and his family have always been great neighbors. My children and his grew up together. If I ever needed help with anything especially since after my divorce he was there to help or talk with. He was always great with my dad also. I will and everyone in the neighborhood will miss him. It just won't seem right not seeing him out grilling, mowing the lawn or passing him on the street. If there is anything that I can do to help all of the family all they need to do is call.
