Sara, We have been friends for about 20 years and have been through every thing together. Going from getting in trouble together growing up, being there for each other when we need a friend to listen to our crazy problems and even the birth of our children and more when we were crazy to say "I DO". Now we can and one more time when we were there for each other, in this time of the lose of "MOM". I was very shocked when I got the phone call from you and was very worried about you and your sisters even though there were alot of hard times. If there is anything else i can do for any of you three girls please don't be afraid to give me a call cause you know I will always be there for you in any time of need. Love you like a sister I never had Love, Jennifer
