To the family, May it comfort your family to know many caring thoughts are with you at this very sad time. I will always remember Lorraine (Toots) for being one special person. A hard worker with a heart of gold. I'll remember one special Thanksgiving when Lorraine knew that my son and I had no family close by to spend the Holiday with, so she opened up her heart and home and included us in her family Holiday. I will always be grateful. I will always remember all the desserts she brought to work to share with her co-workers.

Lorraine, I spent as much time spending the night with Jody at your house as my own house. And lord knows as hard as Jody and I tried to get away with our sneaky selves, somehow you always caught us and I got in trouble just like jody, lol. I swore you had eyes in the back of your head. You will always be remembered and loved. I know you're in heaven.
