Darene was one of the kindest & most caring people I ever knew. We had a lot of fun when we worked together at Walters. Later she became part of my family when she and Bob Kramer became friends. I know her family will miss her greatly. I am unable to be at the service for her but you will all be in my thoughts and prayers. She is in God's care now. Leone

From the day that I first met Darline, I knew she was a very special lady. She and her husband Dale were close friends of my first husband, Danny Shaff and his family. She was warm, friendly and very funny. I later found out that she had known my parents years ago, and offered insight to their lives. She was a very respected woman and will be sadly missed by many. I share in your loss.
