Carol Myers

APR 12, 1934 - JAN 7, 2009

Carol Jane Myers, 74, of Savanna, IL, died Wednesday, January 7, 2009 at Big Meadows Nursing Home in Savanna, IL, and is no longer suffering. Services will be held at the Clinton Chapel Snell-Zornig Funeral Home & Crematory on Saturday, January 10, 2009 at 3:00PM. Visitation will be at the Clinton Chapel Snell-Zornig on Saturday, January 10, 2009 from 1:00 PM to 3:00 PM. Carol Jane Myers was born April 12, 1934, formerly of Springville, Iowa, Cedar Rapids, Iowa, Clinton, Iowa and Fulton, Illinois. She was the glue that held everyone together when they did not have the strength to do so, and she will forever be remembered and missed. She was preceded in death by her husband of 46 years: Robert Myers, three of her five sons: Robert Myers, Jr., Randy Myers and David Myers, her parents and many other loved ones. She is survived by her sons, Martin Myers of Rock Island, Illinois, Roger Myers of Pocatello, Idaho; her four grandchildren, Carolyn Myers of Ames, Iowa, Benjamin Myers of Pocatello, Idaho, Lori Myers of Las Vegas, Nevada and Brett Myers of Vinton, Iowa; and her two beautiful great-grandchildren, Ellie and Ian. Carol is also survived by numerous beloved siblings, friends and relatives. Carol worked at Jewel in both Moline and Clinton for over 20 years and was known for her vibrance, reliability and empathy for everyone she met. Carol gave so much of herself throughout her whole life and everyone that knew her has reason to be grateful to her. May her strength and empathy be an example to those that were blessed enough to have been loved by her and may we take great comfort knowing that she is now with the Lord, as well as with her husband and children. Memorials may be made to Alzheimer's Association.

Over seven years and it feels like yesterday. I know you are still with me (us) and I hope you know how missed you are and how much I love you. You are a great-grandmother to so many babies from us now. I know they're here because you sent them. Thank you. For everything then and everything now. You're my angel and I'm just lucky I had you. Without you, I'd so be screwed!

Having never met her personally, I can safely say she has made an overwhelmingly positive impact on the world through her offspring, as they light the sky itself with their presence. As such, she must have been a woman of incredible merit, dedication, and compassion, and as such, the entire world should be saddened to lose such a soul.

I am just beginning to understand that our Aunt Carol is gone. What a sweet,loving wonderful woman. Numerous memories come flooding back of fun family times. In looking back, we realize now how blessed we were to know her and be a part of her life. Aunt Carol always had a smile on her face and even when she herself was suffering with tremendous grief and loss she still thought of others. "Can I get you some coffee or something to eat" I remember her asking at the house after she had just buried one of her sons. Her strength and optimism despite all the pain she had endured in her life makes me realize not only how strong she was but how her faith gave her hope of a better life ahead. I know she is no longer struggling and suffering and that is where I find solace today. I will always love my Aunt Carol. Truly, may she rest in peace...

One entire year has passed. I never wanted to live even one day without you, but was forced to live so long with you not knowing up from down because of the disease you were cursed with. Of all the people in this world, I won't understand why it was you. I wonder if it was God's way of helping you forget your pain. I miss you tremendously every day and I try to be like you. You have been the most influential and important person in my life. I hope you're enjoying Heath Ledger and Patrick Swayze (did I spell that right?) and that, even though you're probably with Grandpa, you're still flirting up a storm. I hope you see how much you are loved and missed.
