I would like to let the Family of Nancy know that as a care giver, each and every person that I come in contact with touches me, but Nancy touched me in a way that no other person ever has. She showed so much love for Chuck, and the gratitude that she gave was so touching. I only hope that you all know that Nancy loved each and everyone of you so much. I'm so sorry that I didnt have more time to get to know her. I look at my family in a different way because of what she taught me.

Nancy was always fun in school doing crazy things like we all did in the 60's. Afterschool as we all do we went our own way, but when I had my son, Eli, she was his first para. Nancy was ready for that challenge and was always helpful. I remember at a little league baseball, her son, Don, and mine, Ian played together. We would sit on the swings and talk. Even tho it has been 15 years since we have seen her I think of her often and how proud she would be of how Eli has grown and how thankful we are to her for her part in his life.

I am so sad and sorry to hear about Nancy. She was always so much fun and so happy. I remember lots of great times with her as kids and missed her so much when she and the family moved to Iowa. I was so glad to see her at the family reunion at Mike Bennett's the last time she came to Ohio. I have lost a very special cousin. My deepest sympathy goes out to the entire family. I love you all!
