I was present when Jim & Mary adopted Mary and David. She and Davis were like little sister & brother to me. I babysat both of them until I left home. She will always hold a special place in my heart. I know she's in a better place and can finally be at peace. Love you "cous., aka little sis."

I worked with Mary at a few different places..she was always very dependable and would help anyone she could. She loved her family and cherished her grandkids. Glad I got the chance to know her.
