I 1st met Chuck as a client when I worked at All Pets. Always thought of him as a gentle giant and a kind man. Then had the pleasure of working with Sue at Clausen Companies. Such a sweet person, & always had a smile. She enjoyed sharing the bike trails that she and Chuck had gone on. Recommending which one's I should try. My sympathies to all of you, Cheryl Paasch

Sue was my best friend growing up- we walked to school together every day, played softball and I had the pleasure of caring for her pet turtles when she was in a car accident- I lost contact with her which makes me so sad, I didn't know that Stan had passed or that Sue was ill- prayers to her family and her mom

Please know that we all loved your Mom.
