I will always remember Nicole walking by my house with a little doggy in a stroller. It tickled me so much and even though I didn't know her as much as an adult I have many memories of her when she was young. My heart breaks for this family. Love and hugs to all of you. 🙏❤️

I will miss you Collie. You were a blast to work with. I will never forget how hard we laughed that day at your house when Jo-Jo and I came over and Bo-Bo attacked Jo-Jo over that blue wig. Man we had some good times together. You were such a hard worker and team player. My heart breaks for your family and children. You will be missed by so many. Luv ❤️ you
