I was lucky to know Bob and Sandy when I was a teenager and friends with their niece Debbie who lived with them for years. LOVED spending time at their house with them. Then, decades later, Sandy became our dog groomer for our little dog Olive. I always enjoyed chatting with both of them when I picked up Olive. I was so very sad when I learned about Sandy. She was a wonderful person and will be missed terribly by many! RIP Sandy. ☐

Aunt Sandy and uncle Bob has always treated me and my sisters like there daughter's. We always felt like we belonged with her and Uncle Bob. She was a fabulous cook for us and everyone's dog's. Her famous dog treats were what she called doggie crack. Lol They all new when you had a bag. Her deserts were from out of this world. I always complained how fat i am and she would laugh and say no you're not. I made you a cake. Her salads were so delicious with her homade dressing. I will miss the motherly care she provided our family with since her sister Darlene our mother has been gone. I love you Aunt Sandy, Uncle Bob and Robby. ❤️
