Dear all Family and Friends, Very sorry for the loss of Brian I David was a Classmate with Brian and both his family and my family not only grew up together, but we was Neighbors and we all lived down the alley from each other and My Sister Donna and Brian's sister Tina was also Best Friends and we'd at different times when we had a chance try meeting up and walk to Chancy Park or just take fun walks together to get away until we graduated from school unless we was able to see each other out and about we kind of all went our ways, but until we see each other again you'll be dearly missed Brian!!
